Junior Jump and the Bottom Line

Lets all dance
back in time

The wind section,
really sound good

Got us movin the
best we could

Army and Navy
reunion gig

Motown magic all
for five quid.

"Livin in the city",
Nowhere to run

You keep me
hangin on

Motown and soul,
rock and roll

We keep moving
fast and slow.

Party Party all
night long

"Crazy Horses" an
Osmonds song

Helped us bogie all
night long

Gimme shelter
prance along

Twist and dance
and sing that
song.

Ain't no mountain
higher

Ain't no ceiling
lower

play that funky
music

Chelmsford really
grooved it.

"Get Ready" cos
you "keep me
hangin on"

this band will
please you song
by song

I said Shotgun Put
on your high heels
shoes

see me dancing
even to the blues.

**Don't spill alcohol
that's a sin**

**Sweet soul music
that will make you
spin**

**What a night was
had by all**

**Hope we can all,
have some more.**

Maurice Hyde June
2017.
